

# Handle It

Save precious minutes on your way out the door.

This fun and functional organizer fits over the door handle and holds keys, phones, glasses, shopping lists, and more.

A handy strap on back holds letters, envelopes, or newspapers and an optional elastic strap secures the organizer to the handle.

Version 1 features a swivel hook for attaching keys.

Version 2 uses chalkboard fabric on the bottom pocket, making it a great place for quick reminders.

Perfect for use at home, at work, or on your travels, this easy-to-make organizer makes a great gift, too!
